Message from National Alumni Association President

I hope that 2009 has been good to you so far, but for many these have been timorous times. Even in times like these we must be about the business of promoting Tougaloo College National Alumni Association and Tougaloo College. This is why it is so important to have objectives and measurable task to accomplish those objectives. We have all had distractions but must become more focused on securing Tougaloo's legacy by performing the task we have been assigned. If you have not been assign a task but you are not a member of TCNAA, a local chapter, or the Bulldog Booster Club you need to get focused. If you have not participated in Tougaloo's Annual Fund (1869 Fund), the Galloway Project, and/or a TCNAA or chapter sponsored event, you need to get focused.

In the past, I have emphasized the importance of participating in the Annual Fund and recruiting students for Tougaloo. This year is no different. The recruitment this fiscal year has gone well, with the college having an increase in enrollment over last year, for both the fall and spring semesters. Con-

trastly the 1869 Annual Fund goal has proven to be a challenge. We are confronted with making the Annual Fund goal by the June 30th 2009 fiscal year end. Collecting only 1 million dollars as of 02/28/2009, we need an additional 2.9 million dollars to end the fiscal year in the **BLACK**. If you have not donated to the fund, please do so, if you have donated and you can use more deductions for 2009, Tougaloo will be a worthwhile recipient.

There are a number of projects being planned that will allow alumni, chapters and families of alumni and friends to participate. There will be more information coming out before commencement but if you have not heard of something before that time contact the Alumni Affairs office for an update. Four projects under consideration are:

- Century Club – This is a club being initiated by Richard House out of Dallas. Alumni and friend can donate a deductible \$100 to the club, which will choose a project or need on

Tougaloo's campus to undertake.

- The building or renovation of the Alumni House. This project will have more momentum during the year.
- Galloway Hall – Alumni and chapters have participated in the adopt-a-room project for the renovation of Galloway Hall. The donors will be given signage in Galloway Hall. More rooms are available to be adopted, contact Alumni Affairs Office or me, if interested.
- Tougaloo Endowment Trust – TET is being launched in partnership with Bank-Plus, where alumni and friends can participate by supporting Tougaloo through monthly direct bank account or credit card payments. Contact the Office of Institutional Advancement for more information.

Be Blessed,

Letter from the President of the College

Dear Fellow Alumni:

We are pleased to be a part of the 2009 Spring/Summer edition of the *TAB* and extend our warmest greetings to you. This has been a remarkable year thus far for the College. But just as our nation is undergoing change and adjusting to the impact of the economy, so is Tougaloo College. The words of Charles Dickens ring true in today's environment, "... *these are the best of times and the worst of times* ..." Our campus is undergoing a major physical transformation with the construction of the Bennie G. Thompson Academic Center, the historic restoration of the Mansion and the renovation of Warren Hall. Our students are excelling and receiving recognition for their academic achievements. Enrollment showed increases for the fall 2008 and spring 2009 semesters. Fundraising is comparable to

where we were this time last year.

These are challenging economic times for everyone. We realize that some of our supporters, including alumni, might be experiencing personal challenging times. We want you to know how much we appreciate your support and value our association. We encourage you, especially alumni, to continue to support the College even if you are unable to contribute at previous levels. Also you can assist us in recruiting students. If each of us would commit to recruit one student, we would have a long waiting list. This is important for our stability and survival. We ask you to accept the challenge with us.

Like America, Tougaloo College is a resilient community. We are familiar with economic hardships and have tremendous experience navigating troubled

waters. While these are indeed uncertain economic times, we are realistically optimistic about the future. We will continue to apply the skills of our better selves, be innovative in attracting more students and helping them find ways to finance their education, strategically manage our resources, tighten our belts, increase fundraising, reduce expenses, make small personal sacrifices to benefit the greater good of this community and continue to have faith that *God smiles on Tougaloo*.

We thank you for your support of your alma mater. Together, we can continue to make great things happen for Tougaloo!

Dallas-Fort Worth Alumni Chapter

"a Tougaloo Christmas"

T'was the Saturday before Christmas", and all around here, Tougaloo Alumni were stirring with Christmas cheer! It was the D/FW Chapter's Annual Spirit of Giving Fundraiser, graced by our own presidents Beverly Hogan '73 and Roosevelt Turner '72.

We were honored that Tougaloo College President, Dr. Beverly Hogan and TCNAA President, Mr. Roosevelt Turner took time from their busy schedules to join area Tougaloo students, alums and friends of Tougaloo at the home of Dr. Jimmie ('73) and Mrs. Lela ('74) Thompson.

Festive holiday dishes, singing, reminiscing, and games helped to blend the joy of Christmas with a celebration of Tougaloo. Thank you to everyone who supported us, and our efforts to support Tougaloo College. Call James McQuirter '64 at (214) 460-0537 or email at mcquirt@swbell.net for more information about the Tougaloo College Dallas/Fort Worth Alumni Chapter.
