Community Service Verification Form

“Community service has its roots deeply embedded in the foundation of Tougaloo College.” Tougaloo requires each graduate to complete a minimum of 60 hours of service. To apply for this scholarship, 20 hours must be completed. As verification of your activities, complete the following table, including signatures from site supervisors. **Send completed form to TCNAAScholarships@tenaa.org.**

Your community service must be performed with a non-profit organization. Mowing a neighbor's yard, helping a family member clean, or doing chores are NOT examples of non-profit organizations!
